Dear [FOI Oxford],

Sorry to send through another foi request but this one should be very simple to answer and hopefully not take too long.

I would like to know whether any of the following companies provided more than £50,000 in authorised grants in the financial years, 2017-2018, 2018-2019 and 2019 to 2020. I would like to know how many grants were accepted from each of these sponsors, the total amount the grants were worth for the financial years 2017-2018, 2018-2019 and 2019-2020, and the names of the projects that were funded by these authorised grants.

The companies I am interested in are:
- Saudi Aramco
- National Iranian Oil Company
- Pemex
- Petroleos de Venezuela
- Abu Dhabi National Oil Company
- Kuwait Petroleum Corporation
- Iraq National Oil Company
- Sonatrach

All the Best,
[Member of OCJC]
